**Detailed Action**

1. Claims 1-6, 8-25, and 27-36 are presented for examination. This office action is in response to the amendment filed on 2/23/07.
2. Receipt is acknowledged of information disclosure statement filed on 2/23/07, which the statement has been placed of record in the file. Information disclosed and listed on PTO 1449 was considered.

**REASONS for ALLOWANCE**

3. The following is an Examiner's statement of reasons for the indication of allowable subject matter: renumbered claims 1-34 are allowable over the prior art of record because the arguments set forth in the amendment filed on 2/23/07 are persuasive. The claims are allowable over the prior art of record because the claims are distinguished from the prior art of record for the reasons as set forth in the amendment filed on 2/23/07 and because an update of a search previously made does not detect the combined claimed elements as set forth in the claims 1-34. Also the reasons for allowance of the claims over the prior art of record is believed to be clear from the prosecution records taken as a whole. Therefore, claims 1-34 are allowable over the prior art of records.
4. Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably
